Reston Limousine Honored at Northern Virginia Business Event

Dulles-based Reston Limousine was among 60 Northern Virginia businesses honored at the *2008 Celebration of Northern Virginia Business Success* recently hosted by the Fairfax County Economic Development Authority in Tysons Corner.

Kristina Bouweiri, Reston Limousine's owner, received the recognition on behalf of her company from Fairfax County Board of Supervisors' Chairman Gerald E. Connolly. Reston Limousine was one of three Loudoun businesses recognized.

Northern Virginia's three congressional members, Representatives Frank R. Wolf, James P. Moran and Tom Davis, all spoke in honor of the businesses, which had earlier been named to the *Washington Business Journal's* Fastest Growing Companies List, or other major business ranking publications.

Reston Limousine is the Washington, DC metropolitan area's largest limousine/shuttle service. Founded in 1990 in Reston, the company relocated to Loudoun several years later. It is nationally ranked 27th in operational size, and among the top 10 largest shuttle bus fleets. With a 143-vehicle fleet, including buses, vans, limousines, and sedans, Reston Limousine serves the metropolitan area from its headquarters in the Dulles corridor and from a satellite location in Capitol Heights, MD. In addition to its government shuttle transportation services, the company is well known locally for its innovative wine country tours, wedding, social, and VIP transportation. It is recognized as the official transportation provider of the Washington Capitals.

Bouweiri is actively involved as a board member in a number of local organizations, including the Loudoun Chamber of Commerce, Committee for Dulles, the Loudoun Convention and Visitors Association, and numerous trade organizations. Through Bouweiri's efforts, her company is a consistent advocate for children's causes as well as other charitable efforts, resulting in the annual donation of more than \$100,000 in funds and gifts-in-kind within the Washington metropolitan area.

Despite the success of her business, Bouweiri takes time to focus on the importance of treating her customers well and providing quality service. Her two mottoes continue to apply: *"Everyone's a customer!"* and *"Never say no!"*
