Major trade publication, *Limousine & Chauffeured Transportation*, recently named Dulles-based Reston Limousine to its Top 100 list in the internationally distributed magazine's annual survey of the country's largest fleet operators.

Already the largest luxury transportation service in the Commonwealth, Reston Limousine with its 114 vehicles now ranks 29th in the nation in operational size. The company is also among the Top 10 Largest Shuttle Bus Fleets in the country. The recognition is reflective of Reston Limousine's continuous growth, which includes relocation to new and larger headquarters, an expanded employment base of more than 200 employees, and increase in fleet size.

Founded in Reston in 1990, Reston Limousine recently purchased property and built its own facility near Dulles in Loudoun County. The company is owned by the husband-wife partnership of Kristina and William Bouweiri. The couple and their family make their home near Leesburg.

A major contributor to the Loudoun and metropolitan area business community, Reston Limousine operates a fleet of 10 limousines, 18 sedans, 25 vans, four SUVs, 55 shuttle buses and two 55-seat motor coaches. The company is well known locally for its government shuttle transportation services, innovative wine country tours and tours of Washington, DC, as well as wedding, social, and VIP transportation. It is recognized as the official transportation provider of the Washington Capitals.

Company founder, William Bouweiri, now holds a strategic planning position with Reston Limousine while his wife, Kristina, oversees the operations and management of the business. As a leader in the business community, an advocate for pro-business policies, and a philanthropic supporter, she is actively involved in a number of local organizations, including the Loudoun Chamber of Commerce, Committee for Dulles, Herndon Dulles, Reston and Fairfax Chambers, the Loudoun Convention and Visitors Association and numerous trade organizations.

Through Kristina Bouweiri's efforts, Reston Limousine is a consistent advocate for children's causes as well as other charitable efforts. The company's community service outreach has resulted in the donation of over \$150,000 in funds and gifts-in-kind within the Washington metropolitan area.

Bouweiri has received numerous honors for her business leadership and charitable support. Two years ago, she was chosen for the *Washington Business Journal* list of 50 outstanding women whose influence is shaping business in the area. For further information contact Reston Limousine at 703-478-0500 or www.RestonLimo.com.
