Reston Limousine Honored with Highest Community Award

Sterling, VA – Reston Limousine is proud to announce the honor of receiving a Best of Reston Award for “Sharing the Drive of the American Dream”.

Reston Limousine was presented with the award at a gala reception at the Hyatt Regency Reston on April 30, 2003 in recognition of the company’s exemplary community service.

“We have concentrated our efforts in giving back to the community that supports us by focusing on charities that benefit children,” said William Bouweiri, President of Reston Limousine in his acceptance remarks. “We believe it is essential for every corporation to make a commitment to community outreach. We can attest to the personal fulfillment this has brought to our family and to our staff.”

Each year since 1991, six honorees are selected through a nomination process for the Best of Reston award. The honorees are chosen by a committee of representatives from Reston Interfaith and the Greater Reston Chamber of Commerce. The award-winning community of Reston, located just outside of Washington, D.C., is known for values of quality of life, commerce and altruism.

From the Best of Reston Award Selection Committee: “**Reston Limousine**, for their proud legacy of community outreach, for providing transportation services to many charitable and nonprofit organizations, and for focusing their generosity on giving disadvantaged or ailing children a little delight in an otherwise dark time. Reston Limousine began in 1990 with owner and Lebanese immigrant William Bouweiri’s dream to grow his small fleet into what it is now the largest luxury transportation service in Virginia. Today, William’s wife Kristina runs the business and provides more than \$100,000 in services and 1,500 man-hours annually in community outreach, including donation services to take the children of Cedar Ridge Apartments on special outing, providing buses and drivers for the Reston Historic Trust House Tour, transporting children from countries all over the world here for the Fairfax Council for the Arts 2002 International Children’s Festival and the list goes on and on. Each month, Reston Limousine offers a program for ill children at NIH’s Children’s Inn and their parents to tour DC in a deluxe limousine. They provide weekly limousine service for Make-A-Wish families going to and from the airports for their trips and Kristina is working to make this service nationwide. By working hard, saving carefully and planning well, Reston Limousine has fulfilled the American Dream of success and is now a shining example of the American Spirit of giving back to the community.”
