Reston Limousine
Selected by Washingtonian Magazine
as one of *Washington's Best for Weddings*

Sterling, VA – Reston Limousine is proud to announce their selection as one of Washingtonian Magazine's best wedding limousine services in the Washington, DC region. Reston Limousine is listed in the Washingtonian January 2004 Wedding Guide in the article "They Know Weddings".

According to the magazine, questionnaires were sent to the area's top wedding planners asking "who's oozing with talent, who's easy to work with, who's best on a budget". The editors also followed through with their own research.

"When you consider the number of limousine services there are in the Washington region, it is certainly gratifying to be counted among the best by such a prominent publication," according to Kristina Bouweiri, vice president and CEO of Reston Limousine. "To be included on the Washingtonian list, all you can do is consistently provide good service to clients. It's their recommendation that gets you recognized."

Reston Limousine started in the luxury transportation business in 1990 with five limousines and an office at Reston Town Center by William Bouweiri, President. Kristina Bouweiri, Vice President and CEO, joined the company in 1991. The company has grown to be the largest luxury transportation service in the state of Virginia and the 35th largest in North America. Reston Limousine comprises a fleet of 90 vehicles – sedans, limousines, vans and buses – plus a staff of 175 drivers and 25 administrators.
